Hi all

Finally – here is the last newsletter for the season! You can see the results below.

I wanted to thank all the coaches, managers and umpires who make netball possible for our teams. We truly appreciate your time, energy and commitment. I wish you all a pleasant break – and see you all back again next year!

I am looking forward to our netball celebration tomorrow evening. If you have not RSVP'd yet please do so.

Results

Pulse v Johnsonville Allstars: 6-21 Player of the Day: Hannah Rose and Adi

The Pulse played the league winners for our final game and were outplayed by their speed and accuracy. However we had some exciting moments during the game with some good shooting from Hannah-Rose and Georgia and multiple intercepts on defence from Adi and Ella. There was lots of whistle blown and plenty of ball turnovers and the players still have work to do on using that advantage and getting into position quickly enough to use the free ball. Overall the Pulse had a great season, they won all their grading games and had mixed results during the leagues up against some superb competition. Players of the Day go to Hannah Rose and Adi.

Magic v St Brigids Pink Panthers: - Player of the Day:

Stars v BYE

Steel v Cashmere Green: 19-9 Player of the Day:

Steel: a fantastic game to finish the season with a 15-9 win. Lots of parent support on the sidelines. Thanks to subs Jess and Tamsin. Everyone gave 100% with excellent shooting from Lani, Jess and Zoe, strong defence from Rachel and Aimee and nice midcourt play from Tamsin, Lani and Zoe. Well done team! A pleasure to coach you all this season.

Mystics v CPS Dolphins: 5-4 Player of the Day: The team

Despite the freezing start to Spring, the Mystics worked well together to end the season on a win. It was great to see the girl's improvement since the start of the season. It was a tight game and great to come away with the win. The whole team were player of the day.
